

Price List - September 2006

LEEPER'S STAIR PRODUCTS

To Our Valued Customers

The recent Leeper's Stair Products **September 2006 Price List** for effective ship date 9/18/2006 offers some updates to new products we have added, changes in list prices, and procedural changes when conducting business with Leeper's Stair Products on a daily basis. A secondary, yet very important goal is to also offer a more user-friendly guide to purchasing our quality stair parts.

Some of the noted changes include:

“Look and Feel”

- An index that cross references the catalog, in order, with the price list by page number.
- Images of products for easy cross reference by family in the price grids.
- IMPORTANT! Stock items** have been noted with a **BOLD** font. Please review the stair parts you source from Leeper's Stair Products to determine order and delivery patterns needed based on stock vs. non-stock status. **Production for non-stock yet priced products will be filled within 2 weeks from point of order (not delivery).**
- Products that need pricing and are not considered a standard production item are considered SPECIAL. Please note the **CALL** notation in that cell.
- An updated Terms & Conditions Page.** Your cooperation and adherence to the changes enables Leeper's Stair Products to provide a higher level of customer satisfaction.

Product Additions

- Iron Stair Parts.** The updated iron offering including pricing on all 28 profiles with 5 coatings! Also, Leeper's Stair Products is selling non-coated (NC) or raw steel balusters. Check out the Leeper's Stair Products hollow iron baluster offering!
- An European Beech** stair parts program has been added with list pricing on select balusters, newels, handrail, and fittings. Inquire with the sales department on the production lead times and delivery.
- Box Newels.** An expanded line of box newels in **Hemlock and Alder** in stock!
- Paint Grade products.** Occasionally Leeper's Stair Products will generate down-graded maple, cherry, and poplar in mill turned newels and balusters that could be used in a paint application. If you are interested, please inquire with the sales department on product availability and pricing, when not noted.
- Special Species or Turnings.** Leeper's Stair Products continues to invest in production equipment to provide a higher level of service when sourcing the “unique” stair part. If you have an unusual or difficult to source turning and/or specie, please submit your specifications to the sales department.

We appreciate your continued confidence in sourcing quality stair parts from Leeper's Stair Products!

Hand Rails, Shoerails & Fillets

- **16' Hand rails** may be a minimum of 15' 6" (note - all European Beech 15-16' rails are a max of 15')
- **All other lengths** will be rounded up at 10" - e.g. 13' 10" = 14'
- **All Lineal Items** sold and billed in 1' increments.
- **Customer option to purchase longer lengths** if Leeper's is out of a certain length at time of order or customer can wait for that specific certain length.
- **Jointed Rail Tallys** will include 90% 16' pcs with 10% trims of 12' - 15'
- **Solid Ply Rail** (inclusive of Bending Rail)
- **Special / Non-Stock** lineal items may be available on an inquiry basis. Please call for current availability, pricing, and lead time.
- **Specified lengths** are available on a mill approved basis

Terms and Conditions of Sale

LIMITED WARRANTY

- All products sold by Leeper's Stair Products are warranted to be free from defects in material and workmanship for one year from the date of shipment. All products will be exchanged or a credit issued (**not to exceed original selling price**) if found to be defective by Leeper's Stair Products.
- Improper use of products eliminates Leeper's Stair Products of any and all warranties, or responsibilities for safety or performance either expressed or implied. In compliance with the Magnuson-Moss Warranty Act of 1975, a complete warranty statement is available to all consumers.

CLAIMS

- Claims for shortages, breakage or damage must be made directly with the transportation company. Claims for shortages must be made within five business (5) days after shipment received. **CUSTOMER MUST COUNT BOXES, APPROVE AND SIGN RECEIVER FROM TRANSPORTATION COMPANY INDICATING "INSPECTION OF PRODUCT PENDING." CUSTOMER IS RESPONSIBLE FOR VERIFYING SHIPMENT QUANTITIES.**

RETURNS AND CANCELLATIONS

- Special orders or non-standard products are not subject to return or cancellation if special raw material purchase and/or production have been initiated. All returns of non-defective goods must be in new resalable condition, shipped prepaid, and are subject to a 25% handling and restocking charge and **any out of pocket freight expenses incurred by Leeper's Stair Products.** A RMA must be obtained from the Inside Sales Department of Leeper's Stair Products. A copy of the original invoice or shipping order must be included with all returns. Any parts having been altered or otherwise modified may not be returned. **Returns are limited to stock purchased within the last 30 calendar days.**

DISCLAIMERS

- ALL STAIR PARTS ARE FOR INTERIOR USE AND INSTALLATION ONLY.
- ALL MILL TURNED STAIR PARTS ARE FINISHED SANDED ON THE **TURNINGS ONLY.** THE BLOCKS MAY REQUIRE ADDITIONAL SANDING.
- LEEPER'S STAIR PRODUCTS RESERVES THE RIGHT TO CHANGE PRICES AT ANY TIME.
- Leeper's Stair Products reserves the right for literal interpretation of policies and procedures not limited to errors or omissions from this document.

CREDIT

- Open account payment terms, if any, will be determined by Leeper's Stair Products. All orders are subject to approval and acceptance by Leeper's Stair Products. Unpaid delinquent invoices are subject to a 2% per month (24% per annum) service charge. Buyer will be responsible for all costs, including attorney fees, incurred by Leeper's Stair Products for the collection of unpaid delinquent invoices.

The Builders' choice for stair parts

The Leeper's difference...

Quality

- A reputation in the industry for being extremely demanding with our vendors in the selection of raw material.
- Color consistency throughout. Raw material inspected prior to and during production.
- For insisting that all turnings are finish sanded before they leave our facilities.

Inventory

- The customers asked for it and Leepers said "YES". We have increased our inventory position covering a multitude of species and product groups, in blanks and finished goods.
- Minimize your cost of holding inventory. Leeper's can minimize the guess work by filling rush jobs or releasing orders based on scheduled projects.
- No one in the industry comes close to being able to ship same day complete orders.

Delivery

- Speed! With Leeper's expansion into Chicago we are committed to getting our customers the product they want without delays prevalent in the stair parts industry.
- We have the United States covered!
